WELCOME TO THE ROUND

A state-of-the-art, iconic performing arts venue

This brand-new, versatile and inspiring performing arts venue is the perfect place to host your next event. Offering indoor and outdoor spaces to hire, in an expansive parkland setting, this is a performing arts centre unlike any other.

The Round has been designed from the ground up to provide a premier experience for performers and patrons from front door to stage door. Designed by internationally renowned and awarded architects, The Round features highly functional spaces accentuated with opulent finishes of brass, gold, velour, marble and glass.

Featuring a 600+ seat proscenium theatre with mechanised orchestra pit and industry-leading hybrid fly system, a highly versatile 200+ seat studio theatre, creative studios, soundshell for outdoor events, function centre, extensive dressing rooms and free car parking; The Round has everything you need to bring your creative vision to life.

We are looking forward to hosting your next event at The Round and welcome you to become a part of our community.

OUR PEOPLE

Committed to your success

Robyn McNicol

Coordinator The Round

Robyn brings a wealth of performing arts leadership experience to The Round team and has been Coordinator of the Whitehorse Centre for over 12 years. She has an in-depth understanding of the importance of the performing arts to the community. Robyn's background in state and local government informs her whole-of-team view of service delivery. She is passionate about ensuring all clients – patrons, performers, and venue hirers – have an exceptional customer experience.

STUDIO

A flexible space for creativity

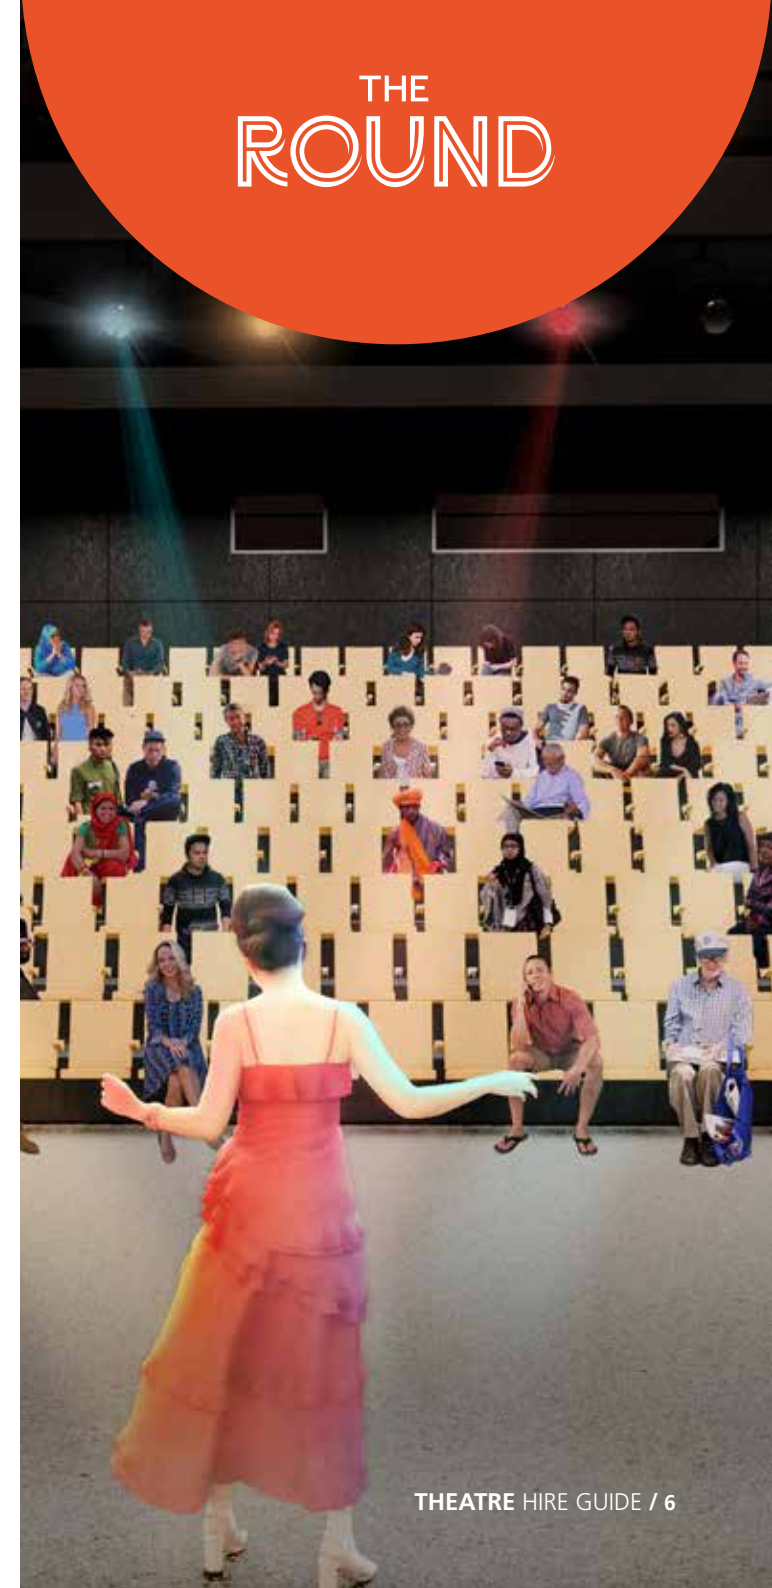

The 203-seat Studio has a retractable seating bank, allowing for a range of different configurations from theatre style, to cabaret, to cocktail. The Studio features a large upstage window providing bright natural light for events. The space can also be fully blacked out, making it ideal for movie screenings, comedy, music, dance rehearsals and small-scale theatre productions.

The Studio is also cleverly designed to open up to the outdoor Soundshell and amphitheatre, becoming the stage for your next outdoor event.

Key Features:

- Highly versatile performance space
- State-of-the-art sound and lighting
- Retractable 203-seat seating bank
- Semi-sprung floor
- Flexible stage accommodates outdoor Soundshell events

CREATIVE SPACES

Where expression comes alive

A dedicated entrance provides a sense of arrival and allows the Creative Spaces to function independently of the whole venue. The Creative Spaces feature two studios with wooden sprung floors, natural daylight, access to change facilities and all-gender bathrooms.

Creative Spaces will be ideal for dance, rehearsals, workshops and classes of all varieties.

Key Features:

- Dedicated entrance and self-contained studios
- Sprung dance floor
- Highly flexible space
- Ballet barres and mirrors

SOUND SHELL

Where art overflows

The most unique aspect of The Round is the Soundshell which is an extension of the Studio stage. The Soundshell opens up from the Studio, linking state-of-the-art sound, lighting and modern back-of-house facilities to the beauty of our parkland amphitheatre.

This is an outdoor stage unlike any other, offering enhanced protection and security from weather whilst providing performers and staff full access to our backstage facilities.

The Soundshell will create a fantastic audience experience during outdoor events and festivals.

Key Features:

- Permanent outdoor stage
- Full lighting and sound infrastructure
- Festival-sized capacity
- Open-sky outdoor events
- Direct access to modern back-of-house facilities
